

STUDENT CONTRACT

I am willing that my son/daughter participate in any of the listed athletic activities during the school year. I am also willing that he/she takes scheduled trips as a member of a team. My permission is effective until revoked in writing.

An insurance program is in effect at Cathedral High School covering all athletics (including cheerleaders and band personnel) for athletic injuries or injuries sustained in sports only. This program is a full excess program and benefits are payable for covered expenses that are not reimbursable by any other valid and collectable insurance.

Rule 100 – Members of the high school team are precluded from missing a high school practice or competition in order to practice or compete with an out of school team. Any player who violates this rule will be ineligible for post season participation and suspended from participation for two weeks, or two games, whichever is longer.
